About Your Instructor

Sunni Middleton

Your instructor for this course will be Mama Sunni Maria. She has a background in Electrical Engineering and Financial Engineering and has worked in the financial services industry for over 20 years.

She is deeply passionate about personal finance and personal development. Alongside her professional career, she actively volunteers in finance-related initiatives.

Through this course, she will guide you in building a prosperous budget, which will help you increase your financial confidence, manage your money more efficiently, and develop essential life skills.
